Our Athletic Trainers

Athletic Trainers are Licensed Medical Professionals who provide evaluation, prevention, and treatment of athletic injuries.

Treatment/ Evaluation Times: 7am to 7:50am Monday through Friday (new injuries and treatments during this time)

Location: Athletic Training Facility

All new injuries should come in at 7am for Coach Martinez or Ms. Huffman to evaluate and create a plan of treatment. No appointment is necessary. The trainers will refer athletes to a doctor when they feel it is necessary; if this happens, the trainers will reach out to the parents. For most injuries, trainers expect students to be able to relay to parents the direction of treatment.

If parents have any questions please contact Jorge or Taylor
Jorge.Martinez@leanderids.org | Taylor.Huffman@leanderisd.org.

Action Photos

📸 Volunteer Photographers Needed! 📸

We're looking for parents who would like to help *capture game day moments* from the **sidelines**. We have a few parents who have volunteered to take freshman and varsity pictures; we're really hoping there are some **JV parents** who are willing to help. (Please reach out regardless!)

The only requirement is that photos are shared so parents, players, and coaches can all enjoy them. If you're interested, please reach out to media@leanderlionsfootball.com.

Thank you for helping us make this season memorable for our players and families!
